Provided always that this exclusion shall not apply to any **Claims** which may arise from the provision of any **Clinical Services** which are subsequently provided to any patients of the **Insured**.

It is understood and agreed that in any **Claim** and in any action, suit or other proceedings to enforce a **Claim** under this Insurance for loss or damage or legal liability, the BURDEN OF PROVING that such loss or damage or legal liability does not fall within this exclusion shall be upon the **Insured**.

4.19 **Pollution**

Insurers shall not be liable for any **Claim** or **Defence Costs** directly or indirectly caused by or arising out of or in any way connected with:

4.19.1 seepage, pollution or contamination;

4.19.2 the cost of removing, nullifying or cleaning up seeping, polluting or contaminating substances;

Provided always that this exclusion shall not apply to any **Claims** which may arise from the provision of any **Clinical Services** which are subsequently provided to any patients of the **Insured**.

4.22 **Toxic Mould**

Fungi means any type or form of fungus, including mould or mildew and any mycotoxins, spores, scents or byproducts produced or released by fungi.

However, this Exclusion does not apply to liability arising out of the diagnosis and/or treatment of patients of the **Insured** who are suffering from infection by such organisms.

4.24 Sanction Limitation and Exclusion Clause

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any **Claim** or provide any benefit hereunder to the extent that the provision of such cover, payment of such **Claim** or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

5 CONDITIONS

5.1 Disclosure

5.1.1 Before this **Policy** is entered into, the **Insured** must make a fair presentation of the risk to the **Insurers**, in accordance with Section 3 of the Insurance Act 2015. In summary, the **Insured** must:

5.1.1.1 Disclose to the **Insurers** every material circumstance which the **Insured** knows or ought to know. Failing that, the **Insured** must give the **Insurers** sufficient information to put a prudent insurer on notice that it needs to make further enquiries in order to reveal material circumstances. A matter is material if it would influence the judgement of a Prudent Insurer as to whether to accept the risk, or the terms of the insurance (including premium);

5.1.1.2 Make the disclosure in clause 5.1.1.1 above in a reasonably clear and accessible way; and

5.1.1.3 Ensure that every material representation of fact is substantially correct, and that every material representation of expectation or belief is made in good faith.

- 5.1.2 For the purposes of clause 5.1.1 above, the **Insured** is expected to know the following:
- 5.1.2.1 If the **Insured** is an individual, what is known to the individual and anybody who is responsible for arranging his or her insurance.
- 5.1.2.2 If the **Insured** is not an individual, what is known to anybody who is part of the **Insured's** senior management; or anybody who is responsible for arranging the **Insured's** insurance.
- 5.1.2.3 Whether the **Insured** is an individual or not, what should reasonably have been revealed by a reasonable search of information available to the **Insured**. The information may be held within the **Insured's** organisation, or by any third party (including but not limited to subsidiaries, affiliates, the broker, or any other person who will be covered under the insurance). If the **Insured** is insuring subsidiaries, affiliates or other parties, the **Insurers** expect that the **Insured** will have included them in its enquiries, and that the **Insured** will inform the **Insurers** if it has not done so. The reasonable search may be conducted by making enquiries or by any other means.
- 5.1.3 If, prior to entering into this **Policy**, the **Insured** shall breach the duty of fair presentation, the remedies available to the **Insurers** are set out below.
- 5.1.3.1 If the **Insured's** breach of the duty of fair presentation is deliberate or reckless:
- i. The **Insurers** may avoid the **Policy**, and refuse to pay all **Claims**; and,
 - ii. The **Insurers** need not return any of the premiums paid.
- 5.1.3.2 If the **Insured's** breach of the duty of fair presentation is not deliberate or reckless, the **Insurers'** remedy shall depend upon what the **Insurers** would have done if the **Insured** had complied with the duty of fair presentation:
- 5.1.3.3 If the **Insurers** would not have entered into the **Policy** at all, the **Insurers** may avoid the contract and refuse all **Claims**, but must return the premiums paid.
- 5.1.3.4 If the **Insurers** would have entered into the **Policy**, but on different terms (other than terms relating to the premium), the **Policy** is to be treated as if it had been entered into on those different terms from the outset, if the **Insurers** so require.
- i. In addition, if the **Insurers** would have entered into the **Policy**, but would have charged a higher premium, the **Insurers** may reduce proportionately the amount to be paid on a **Claim** (and, if applicable, the amount already paid on prior **Claims**). In those circumstances, the **Insurers** shall pay only X% of what it would otherwise have been required to pay, where $X = (\text{premium actually charged} / \text{higher premium}) \times 100$

5.1.4 If, prior to entering into a variation to this **Policy**, the **Insured** shall breach the duty of fair presentation, the remedies available to the **Insurers** are set out below.

5.1.4.1 If the **Insured's** breach of the duty of fair presentation is deliberate or reckless:

- i. The **Insurers** may by notice to the **Insured** treat the **Policy** as having been terminated from the time when the variation was concluded; and,
- ii. The **Insurers** need not return any of the premiums paid.

5.1.4.2 If the **Insured's** breach of the duty of fair presentation is not deliberate or reckless, the **Insurers'** remedy shall depend upon what the **Insurers** would have done if the **Insured** had complied with the duty of fair presentation:

- i. If the **Insurers** would not have agreed to the variation at all, the **Insurers** may treat the **Policy** as if the variation was never made, but must in that event return any extra premium paid.
- ii. If the **Insurers** would have agreed to the variation to the **Policy**, but on different terms (other than terms relating to the premium), the variation is to be treated as if it had been entered into on those different terms, if the **Insurers** so requires.
- iii. If the **Insurers** would have increased the premium by more than it did or at all, then the **Insurers** may reduce proportionately the amount to be paid on a **Claim** arising out of events after the variation. In those circumstances, the **Insurers** shall pay only X% of what it would otherwise have been required to pay, where $X = (\text{premium actually charged} / \text{higher premium}) \times 100$.
- iv. If the **Insurers** would not have reduced the premium as much as it did or at all, then the **Insurers** may reduce proportionately the amount to be paid on a **Claim** arising out of events after the variation. In those circumstances, the **Insurers** shall pay only X% of what it would otherwise have been required to pay, where $X = (\text{premium actually charged} / \text{reduced total premium}) \times 100$.

Nothing in these clauses is intended to vary the position under the Insurance Act 2015.

5.1.5 It is a condition precedent to the right of the **Insured** to be indemnified under this **Policy** that, during the **Policy Period**, the **Insured** shall give as soon as practicable notice in writing to the party named in Item 10 of the Schedule of any alteration which materially affects the risk. The **Insurers** are entitled to refuse to cover the additional exposure or cancel the contract in accordance with the cancellation provisions of this **Policy**.

5.1.6 It is a condition precedent to the **Insured's** right to be indemnified under this **Policy** that the **Insured** shall meet the payment of the **Excess**.

5.2 Claims

5.2.1 Notice

It is a condition precedent to the right of the **Insured** to be indemnified under this **Policy** that notice of any **Claim** as well as any circumstances or incidents which might reasonably be expected to give rise to a **Claim** shall be given to **Insurers** immediately upon the **Insured** becoming aware thereof. Notice of such **Claim** or circumstances or incident shall be in writing (using the MPLC's First Notification Form) and shall be delivered by fax, email or by post to the address specified in Item 10 of the Schedule.

Notice of all **Claims** and circumstances must be made within the **Policy Period** provided that the **Insured** shall have an extra 28 calendar days to notify **Claims** of which they become aware on or immediately prior to the expiry of the **Policy Period**. If the **Insured** provides **Insurers** with notice of circumstances or incidents as mentioned above during the **Policy Period** which are accepted by the **Insurers**, any **Claim** subsequently made which arises from those circumstances shall be deemed, notwithstanding the **Claim** was made after expiry of the **Policy Period**, to be reported to **Insurers** on the date when the circumstances were notified to them.

The simple noting of an incident in an incident book without other grounds for believing a **Claim** may be made shall not constitute a notifiable circumstance or incident.

5.2.2 Control of Claims

Insurers shall be entitled but not obligated to take control of the defence of any **Claim** in the **Insured's** name and shall have full discretion in the conduct of any negotiations or proceedings in the settlement of any **Claim**. The **Insured** shall assist the **Insurers** and co-operate fully with them in the investigation and/or defence of any **Claim** and the prosecution of any subrogation or recovery action without charge to **Insurers**.

5.2.3 Consent of Insurers

The **Insured** shall not:

disclose to any person, other than an **Insured** the terms of this **Policy**

5.2.3.1 disclose to any person, other than an **Insured** the terms of this **Policy**

5.2.3.2 admit liability

5.2.3.3 enter any agreement or arrangement (in relation to investigation, defence or settlement of **Claim**)

5.2.3.4 make any offer, payment or promise in relation to any **Claim**

5.2.3.5 incur any cost or expense

without the prior written consent of **Insurers**.

5.2.4 Consent of the **Insured**

Insurers will not settle any **Claim** without the consent of the **Insured**:

If however the **Insured** refuses to consent to any settlement recommended by **Insurers** or their legal representatives then **Insurers'** liability will not exceed the total amount for which the **Claim** could have been settled plus the **Defence Costs** incurred with their consent up to the date of the refusal or the applicable Limit of Indemnity whichever is less.

5.2.5 Relinquishment

Insurers may at any time pay to the **Insured** in connection with any **Claim** the amount of the Limit of Indemnity remaining under this **Policy** or any lesser amount for which such **Claim** can be settled less any sums already paid and less any associated **Defence Costs** already paid. Upon such payment being made, the **Insurers** shall relinquish the conduct and control of and be under no further liability in connection with such **Claim** or associated **Defence Costs** incurred after the date of such relinquishment.

5.2.6 Subrogation

In relation to sums paid or payable by them, **Insurers** shall be entitled at any stage to bring an action for their own benefit seeking indemnity, damages or otherwise against any third party (other than the **Insured's Principal**) in the name of the **Insured**.

Insurers' expenses in the recovery shall always be deducted prior to the application of the recovery to the **Claim**.

5.2.7 Fraudulent **Claims**

5.2.7.1 If the **Insured** makes a fraudulent **Claim** under this **Policy**, the **Insurers**:

- i. Are not liable to pay the **Claim**; and
- ii. May recover from the **Insured** any sums paid by the **Insurers** to the **Insured** in respect of the **Claim**; and
- iii. May by notice to the **Insured** treat the **Policy** as having been terminated with effect from the time of the fraudulent act.

5.2.7.2 If the **Insurers** exercise their rights under clause (5.2.7.1) (III) above

- i. The **Insurers** shall not be liable to the **Insured** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to the **Insurers'** liability under the **Policy** (such as the occurrence of a loss, the making of a **Claim**, or the notification of a potential **Claim**); and,
- ii. The **Insurers** need not return any of the premiums paid.

5.2.7.3 If this insurance **Policy** provides cover for any person who is not a party to the **Policy** (“a covered person”), and a fraudulent **Claim** is made under the **Policy** by or on behalf of a covered person, the **Insurers** may exercise the rights set out in clause (5.2.7.1) above as if there were an individual insurance **Policy** between the **Insurers** and the covered person. However, the exercise of any of those rights shall not affect the cover provided under the **Policy** for any other person.

Nothing in these clauses is intended to vary the position under the Insurance Act 2015.

5.3 Records

The **Insured** shall at all times:

- 5.3.1 maintain accurate descriptive records of all **Clinical Services** and equipment used in procedures. Such records shall be made available for inspection and use by **Insurers** or their appointed representatives in the investigation or defence of any **Claim** hereunder;
- 5.3.2 retain the records referred to in 5.3.1 above for a period of at least six (6) years from the date of treatment and, in the case of a minor, for a period of at least six (6) years after that minor attains majority. Obstetric records must be retained and preserved indefinitely;
- 5.3.3 provide **Insurers** or their appointed representatives with such oral or written information, assistance, signed statements, evidence or depositions as **Insurers** may require;

5.4 Licensing of all Sport Rehabilitation Graduates

It is a condition precedent to the **Insured's** right to be indemnified under this **Policy**, that each practicing Member of BASRaT shall hold a valid licence where required to practice issued by the relevant lawfully established and recognised licensing authority within the territories specified in Item 7 of the schedule, except when deployed for and on behalf of the UK's Ministry of Defence or visiting territories outside of Great Britain, Northern Ireland, Channel Islands, the Isle of Man and the Republic of Ireland with British based clients, British based teams, British based athletes or British based entities or organisations which retain members for the provision of **Clinical Services** for their own needs. It is understood and agreed that for the avoidance of doubt such British based organisations may include other nationals.

This Condition, shall also apply to any self employed individual acting as a self employed contractor or sub-contractor.

5.5 Cancellation

Insurers may cancel this **Policy** by giving written notice to the **Insured** at the address stated in Item 3 of the Schedule of thirty (30) calendar days before the effective date of cancellation. Premium will be refunded to the **Insured** on a pro rata basis.

If notice is mailed by registered post, proof of mailing will be sufficient evidence of notice being sent, and notice shall be deemed to have been served seven (7) calendar days after dispatch. Notice may also be validly served by email or fax to the **Insured** or the **Insured's** agent or broker. Notice by email will be deemed to have been duly received if within five (5) calendar days a reply, whether in the form of an acknowledgement or otherwise, has been sent to and received by the original sender or a telephone confirmation from a responsible person has been given. Notice by fax will be deemed to have been duly received if the sending machine has printed a valid confirmation of receipt. Notice by fax or email, duly received, will be deemed to have been served five (5) calendar days after the date of sending.

5.6 Premium Payment Warranty

It is warranted that all premiums due to The MPLC Limited under this **Policy** are paid by the premium due dates stated in Item 6 of the Schedule. Non-receipt by The MPLC Limited of such premiums by midnight of the respective premium due date shall discharge The **Insurers'** liability from the time of the breach of warranty, regardless of whether the breach is subsequently remedied. Section 10 of the Insurance Act 2015 shall not apply to this Premium Payment Warranty

5.7 **Policy** Jurisdiction and Applicable Law

This **Policy** is governed by and should be construed in accordance with the law of the country specified in Item 12 of the Schedule.

Any dispute between the **Insurers** and the **Insured** concerning this **Policy**, its validity, existence or termination or relating to the interpretation of the terms, conditions, limitations and/or exclusions contained herein shall be determined in accordance with the law of the country specified at Item 12 of the Schedule. The parties agree to submit to the exclusive jurisdiction of any court of competent jurisdiction within that country and to comply with all requirements necessary to give such court jurisdiction.
