## Introduction

The British Association of Sports Rehabilitators and Trainers (BASRaT) provide eligible members with:-

- **Medical Professional and Public Liability insurance underwritten at Lloyds via MPLC Limited, and MPLC Ibex Europe**
- **Criminal Prosecution Defence insurance (for UK members only\*) underwritten by Markel Insurance**

***\* In respect of members personal exposure rather than that arising from ownership of a company – the extensions for Ltd Company cover under the medical malpractice section will not apply to Criminal Prosecution.***

The policies are renewed annually by BASRaT on 1<sup>st</sup> February each year, and members that require evidence of their Medical Professional and Public Liability insurance should contact BASRaT at [administration@basrat.org](mailto:administration@basrat.org).

This Summary is for general guidance and information only. Members are advised to read the full policy Terms & Conditions available on-line from either BASRaT's own website or the Brokers website [www.jameshallam.co.uk/business/promed/basrat-british-association-of-sport-rehabilitators-trainers/](http://www.jameshallam.co.uk/business/promed/basrat-british-association-of-sport-rehabilitators-trainers/).

The Summary is not intended to be exhaustive and does not in any way alter the Terms & Conditions of the policy. In the event of any conflict, the Terms & Conditions of the policy will take precedence over this Summary.

Members are strongly advised to ensure the covers provided are adequate and appropriate for their Professional requirements and to either exercise any additional options, or purchase supplementary insurances for risks not catered for under the BASRaT Members' Block Schemes.

If you are unsure whether the cover provided in this Summary document meets your own particular circumstances or needs, you should seek your own legal and/or insurance advice before proceeding with any particular course of action.

## Section 2: Medical Professional & Public Liability Insurance

---

### Who benefits from this insurance?

The policies are designed as a benefit of BASRaT membership, so in general would apply to all current members in the appropriate membership categories including:-

- Qualified graduate members ordinarily resident in the United Kingdom, Northern Ireland, the Isle of Man, Channel Islands or the Republic of Ireland (please note the Criminal Prosecution Defence cover does not apply to Irish members).
- Non practicing graduates or Allied health professionals (but only in respect of Run-off cover for claims arising from their previous work as a full graduate member).

### Scope of Activities insured

Activities within BASRaT role delineation.

### Additional Activities

Members are also covered to perform the following activities provided their qualifications have been approved by BASRaT, declared to insurers and any extra premium paid, provided the income from such activities do not exceed 50% of the member's total annual earnings:-

- Acupuncture
- Dry Needling
- Provision of Orthotics
- Physiotherapy (subject to additional charge)

Members requiring cover for any of the additional activities above must declare them to BASRaT with details of their qualifications and confirmation of HCPC or other regulatory registration where applicable.

Members may apply to the scheme brokers for cover in respect of any other activities for which separate insurance is required.

## Territorial Limits

The cover applies to insured activities undertaken in the United Kingdom, Northern Ireland Channel Islands, the Isle of Man and the Republic of Ireland.

## International Cover

The policy permits members to work outside of the above territories for up to a maximum of 180 days in any 12 month period subject to the following conditions and restrictions:-

- Where required members must comply with any local regulatory or statutory obligations to practice legally in any overseas territory (members working for the UK Ministry of Defence are not required to meet this proviso for the treatment of UK nationals on MoD Sovereign bases, nor does this requirement apply to members accompanying British teams, clients or other British based organisations where they have been retained solely to provide insured services for their own needs).
- There is no cover provided for any work undertaken in Australia except whilst visiting with individual British based clients, British based teams, British based athletes or other British based entities which retain the member for the provision of insured services for their own needs only. For the avoidance of doubt such British based organisations may also include other nationals.
- There is no cover under the policy for any claim brought within Australia (or any Court within Australian jurisdiction) regardless of the claimant's nationality and regardless of where in the World they were treated.
- No cover applies in the USA or Canada for any insured services provided to any US or Canadian national.
- No cover is included within this policy for any claim brought within the USA or Canada (or any Courts within their jurisdiction) regardless of the nationality of the claimant and regardless of where in the World they were treated.
- It is the member's responsibility to comply with any local regulatory or statutory obligation which may exist in overseas territories.
- Members emigrating to a foreign country should take out appropriate insurance locally before beginning to practice as the BASRaT cover only applies to members ordinarily resident in the United Kingdom or the Republic of Ireland.
- Members intending to work for longer than 180 days in any 12 month period outside of the United Kingdom will need to arrange separate insurance. Members deployed by the UK Ministry of Defence are not subject to the 180 day international limitation.

- Members intending to work overseas or provide services via the internet or undertake lecturing or study tours, must check the registration requirements of the country they intend to visit or in which the services are to be provided to establish whether registration with any local regulator is a requirement.

Failure to meet any obligation to practice legally will invalidate the member's cover under this policy.
