

About us

We are a commercial insurance underwriting agency providing quality products backed by A-rated, UK regulated and domiciled capacity. Our product range includes:

- Commercial Combined & Packages for a variety of industries
- Hotels & Restaurants
- Commercial, Residential, Niche & Mid-market Property Owners
- Roofers, Scaffolders & General Contractors
- Specialist Product Liability/Life Science cover for critical products including high hazard sectors, up to 100% US turnover, efficacy included and optional PI & financial loss
- Liability and Office cover for Tour Operators & Travel Agents

But that's not all – we go beyond primary coverage with ancillary products such as Goods in Transit/Marine Cargo, Management Liability, Excess of Loss, Terrorism, Engineering, and Legal Expenses.

We pride ourselves on the quality of our accessible and experienced Underwriters. If you need assistance, our team are available to provide the information and support you need.
