## Your Trusted Private Insurance Specialists

At James Hallam, we've got you covered. We create tailored insurance solutions designed just for you. Since 1982, we've been an independent Lloyd's broker, focused on building strong relationships and delivering a personal touch. Our Private Clients division specialises in bespoke insurance for individuals and families with unique needs—whether you own a landed estate, manage a trust, or run a business.

### Core Areas of Cover

Key offerings include comprehensive cover for:

- Household buildings and contents
- Art and jewellery
- Holiday homes
- Prestige, collectors and classic cars
- Worldwide travel
- Contract works and renovation cover

### More Than Just Insurance

We take a well-rounded approach to protecting what matters most. Beyond traditional insurance, we help with:

- Property security enhancements
- Personal safety plans
- Advanced loss prevention (like leak and fire detection systems)

### Why Choose Us?

When you work with us, you'll have a dedicated advisor who's by your side every step of the way—from creating customised policies to handling claims.

Our trusted network of insurers and professionals ensures you get innovative, cost-effective solutions that fit your lifestyle.

Our focus? Long-lasting relationships with our clients. We prioritise quality service for those who trust us, rather than chasing new business. If you're looking for high-quality, tailored insurance with a personal touch, you've come to the right place.

James Hallam Insurance Brokers is a trading name of James Hallam Limited who are Authorised and Regulated by the Financial Conduct Authority.
