

Bespoke support to help you provide a truly premium service

James Hallam has been insuring the hospitality industry since 1982, and we still make a point of staying on-top of the latest hospitality news and trends. We have a deep understanding and total respect for who you are and what you do.

Here are just some of the benefits we will bring to your business:

- **Specialist Hotel Insurance** – Insurance designed for the hotel industry providing competitive premiums with the widest cover.
- **Risk Management Support** - Expertise to reduce or eliminate risk from your business with the help of our specialist health and food safety consultants.
- **We Speak Your Language** – We have insured the hotel sector for over 30 years and our people are passionate about it so keep abreast of industry news and activity. We understand your issues and speak your language.
- **Total Commitment** – We are dedicated to supporting the hospitality industry, which is why we champion charitable fundraising initiatives with Springboard and Hospitality Action.

The James Hallam team are passionate about hotels and they have maintained an exceptional level of service throughout our long association.

Lucknam Park - Sarah-Jayne Reynolds

Our clients say the nicest things about us...

Our tailored service will work to find the right insurance solutions to suit your unique requirements. We always take a sophisticated, professional, and personal approach to business, and we're committed to providing intelligent, flexible, and bespoke broking and risk management services.

I have worked with David Noble and his team since 2001 and they have helped my business through the ups and downs of the insurance market. It is reassuring to know that we are with an industry specialist.
